Asia - Europe Meeting (ASEM) High - Level Conference on Food Security

**Chiang Mai, Thailand
9 - 11 May 2011**

BACKGROUND

The Helsinki Declaration made at the 6th Asia-Europe Meeting (ASEM 6) requested ASEM members to take on the role of Issue-based Leadership to drive projects and initiatives in a certain policy area with a view to producing tangible benefits for all ASEM members. In doing so, Thailand as one of the most important food-supplying countries of the world and the Ministry of Agriculture and Cooperatives (MOAC) as Thailand's core agency for this issue, volunteered to be the leader on food security at ASEM 7 in Beijing in October 2008. To achieve the commitment, during the 8th Asia-Europe Meeting (ASEM 8) in Brussels, Thailand announced to host the ASEM Conference on Food Security. The forum aims to motivate members to initiate cooperation through knowledge exchange and transfer technology.
